MEMORANDUM FOR : Project Director of Material

SUBJECT : Construction at Watertown

25X1 1. I am withholding the answer to [redacted] regarding
our intentions for future use of Watertown. The delay is predicated
on our finalizing on the amount of construction we intend to do at
25X1 Watertown between now and the end of the year. We have pretty well
25X1 jelled on most of the items except the one on resurfacing the road
leading from Watertown [redacted] As you will recall, I requested
you to query the Air Force through [redacted] as to whether they
would be willing to split the cost of this resurfacing.

25X1 2. Will you follow through again on any request you have
25X1 made of [redacted] to see how soon we may expect an answer in order
that we not unduly delay our reply to [redacted]
